Welcome to Bristol

- A brilliant place to study

Named “Best place to live in the UK 2017” by The Sunday Times Magazine, Bristol is a friendly, safe, attractive city with a long and colourful history.

With a population of 500,000, it's the cultural and commercial capital of the South West.

It's home to a diverse community of artists, musicians, media, financial and high tech companies.

Bristol has two excellent universities, hundreds of pubs and restaurants, both modern and traditional, museums, cinemas and green spaces. Bristol was European Green Capital in 2015.

For “shopaholics”, Cabot Circus shopping centre and St Nicholas Market have everything you need.

There's always something going in Bristol - music festivals, Europe's largest hot air balloon festival, a harbour festival, food festivals and more.

For sports and outdoor activity fans, Bristol has two football teams, a rugby club, gyms, swimming pools, climbing, horse riding, mountain biking and a watersports centre in the harbour.

Bristol is surrounded by places of interest: Bath, Oxford, Cardiff, Stonehenge and Stratford-Upon-Avon are all close and London is just 90 minutes away by train.

“

We sum the city up
as cool, classy and
supremely creative

About IH Bristol

Established in 1987, our two centres are located in Clifton – one of Bristol's most popular and elegant areas, which is also home to Bristol University.

Mainly residential, Clifton also has a huge variety of shops and restaurants. It's a safe and friendly environment and there's a definite "student vibe" in the air.

The city centre/harbour is a 15-minute walk. There are also frequent bus services to all parts of Bristol.

The school has a warm and friendly atmosphere and is fully equipped with comfortable seating, interactive whiteboards, computers & free wi-fi access.

Both centres have a students' room and large private gardens – ideal for summer barbecues, parties and outdoor activities, so everyone gets to know each other from their first day.

NATIONALITY MIX

Jan 2014 – Dec 2016

We have capacity for over 100 students, spread across nine classrooms, so as well as offering programmes for individuals, we can also accommodate groups throughout the year.

All students can use our free study room. It's available every afternoon after classes from Monday to Thursday and includes a tutor on hand to guide you.

E-LEARNING / SELF STUDY

All our students can use our e-learning programme from the time they enrol with us until three months after the end of their course. This blended course helps students to make greater progress and to track their improvements while they are studying. FREE EXERCISES

Available via our website and phone app, there are hundreds of free exercises to practise your grammar, vocabulary and use of phrases, or answer questions as they will be presented in the Cambridge ESOL exams. You won't find these anywhere else.

EXAMS

If you're interested in taking an exam, we're an official Cambridge, IELTS and Trinity exam centre, so you can take your exam here at IH Bristol!

“

Homestay Accommodation

Most of our students stay in homestay accommodation with a British host family. This allows you to share family meals and experience English culture first hand.

OUR HOMESTAY LOCATIONS

Our homestay hosts are families, couples and single people. We have chosen them for you because they have clean, comfortable homes near the school and they offer a friendly welcome to our students. We want you to feel like one of the family. This is a great way to help you practise your English naturally. We visit all our host families regularly to make sure the accommodation they offer is of the highest standard.

When you arrive, your host will show you how to get to school on the first morning. Most hosts live within 20-30 minutes of the school on foot or by public transport.

Homestay families provide two meals a day, included in the price of your accommodation. You have a private bedroom with somewhere to put your clothes, and a table to work at. Every day, you eat with members of the host family at breakfast and in the evening and you can have meals together at weekends. We never put two students who speak the same language in the same home (unless requested), so you will have plenty of opportunity to practise your English and get to know more about the British way of life.

Self-catering homestay accommodation, where you live with a family but buy and cook all your food, is also available. This is a little cheaper.

Self-Catering Apartments/Rooms

We have teamed up with two of the best local student housing companies, both of which offer good value, good quality, safe and fun places to stay in Bristol.

CLIFTON SHORT LETS

Private rented rooms in shared houses, flexible dates, all year round.

Clifton Short Lets offer flexible accommodation within a five-minute walk of the school. International House students receive a 10% discount on their rates, which include wi-fi, bills, council tax and VAT, by using the code 'INTHOUSE'.

To enquire or book, call **+44 (0) 0117 923 7947** or via their website: **cliftonshortlets.com**

Prices start from around £140 per week

UNITE STUDENT HOUSING

Unite Students offer dedicated student homes in Bristol city centre, which come fully equipped with all the modern conveniences a student needs – a combination of security, study space and social areas.

We recommend either Orchard Heights or Blenheim Court.

To enquire or book, call **+44(0) 117 302 7421** or email **orchardheights@unitestudents.com**

Prices start from around £110 per week

These options are only available to students aged 18 years and over

“I loved Bristol and its terrific vibe! Bristol is a city big enough to have places and activities for all types but not so big as to make you feel “lost”.
