# WELCOME CONTENTS

**Helen Kellar**  
International Manager

"A very warm welcome to City College Brighton. We are a government college of further education with accreditation from the British Council for our English Language provision.

We were established over 100 years ago and have a long tradition of welcoming international students from all over the world. We have around 2700 full time students, in addition to over 450 international students from 54 different countries. This diverse mix of cultures and backgrounds creates a vibrant college environment and welcoming community.

You will be immersed in an established British college, on our academic and vocational courses you will learn alongside UK students. We offer modern quality classroom materials and exceptional facilities, such as subject specific workshops and studios, our Learning Resource Centre, cafeteria, IT suites, gym and restaurant.

We are proud of our students and their achievements. Our success rates put City College Brighton in the top third highest achieving colleges in the country and first place nationally for grade A\*-C achievement in GCSE English and mathematics.

Academic success and personal wellbeing is at the heart of everything we do. Our aim is to enable all of our students to achieve their personal and academic goals.

This brochure will give you a flavour of student life at City College Brighton and the courses we offer. More detailed information is available on our website or by contacting our International team directly on [intapps@ccb.ac.uk](mailto:intapps@ccb.ac.uk).

If you are thinking of studying in a real British college environment, with excellent facilities and support to help you on your educational journey, then City College Brighton is for you. We look forward to welcoming you soon."

# OUR LOCATION BRIGHTON

City College Brighton is located in the heart of one of Europe's most vibrant cities. The city is famous for its elegant historical architecture, exciting nightlife and varied arts and cultural scene.

Brighton is located on the south coast of England, less than an hour from London and within easy reach of major airports. It offers a unique mixture of beach, city and countryside. It is often described as 'Little London by the sea' but unlike the UK's capital it is stress-free and easy to walk around.

Throughout the year you can enjoy many of the festivals and events which take place in the city, explore the surrounding countryside or simply relax on the beach with friends. Cosmopolitan, colourful and creative – Brighton offers something for everyone.

**BRIGHTON HOSTS  
THE SECOND  
LARGEST ARTS  
FESTIVAL IN THE UK**

**BRIGHTON IS  
HOME TO TWO  
UNIVERSITIES -  
SUSSEX & BRIGHTON**

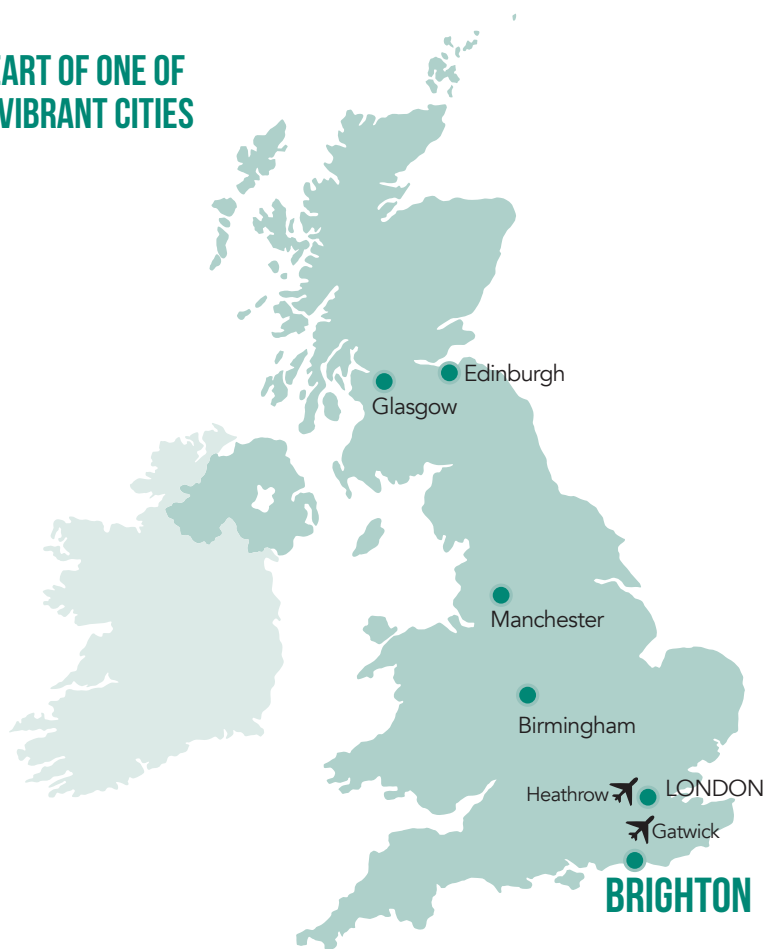

**"I love living in Brighton. I enjoy the nightlife and eating out – the restaurants are really good here. It's got such a great lifestyle, I prefer Brighton to any of the other UK cities I've visited."**

**Wasan Jaisiri, Thailand**  
International Foundation Programme Business

## STUDY IN THE HEART OF ONE OF EUROPE'S MOST VIBRANT CITIES

Travel is made easy from Brighton, less than an hour from London and with easy access to the main airports:

- 40 minutes from Gatwick Airport
- 1 hour 20 minutes from Heathrow Airport
- Budget airlines operate from London Gatwick to most major European cities
- Eurostar trains depart from London to Paris and Brussels

**'Brighton is surrounded by the glorious countryside of the South Downs National Park, ideal if you want to explore!'**

Helen Kellar,  
International Manager

# WHY CHOOSE CITY COLLEGE BRIGHTON

City College Brighton is a great place to study and Brighton is a fantastic place to live. We have a long tradition of welcoming international students and provide a friendly and supportive college environment.

We offer more than 600 courses, from basic vocational training to university level study, as well as a wide range of English language courses. We offer quality assured accredited and non-accredited programmes.

Students enjoy a unique learning environment where they become part of the wider college community alongside UK students.

We understand that choosing where to study is an important decision, especially for an international student coming from overseas.

**"From the first day I found City College outstanding, with great facilities and most importantly the friendly and helpful staff."**

Ivan Garcia Peris, Spain  
Cambridge FCE

## Reasons to choose City College Brighton

- **Quality:** We are a British Council Accredited Centre and members of English UK.
- **Trusted:** We are a UKVI approved Tier 4 sponsor.
- **Established:** We were established over 100 years ago and have a long history of welcoming international students.
- **Dedicated:** A dedicated accommodation and welfare service for international students.
- **Professional:** Professional tutors who will help you to achieve your goals.
- **Modern:** Excellent facilities, including a library and computer centre, cafeteria and free gym.
- **Choice:** A wide range of courses from General English through to university level.
- **Inclusive:** Immersion in a UK college environment allowing opportunities to interact with our British learners.
- **Fun:** Regular social events to promote student interaction.

Accredited by the

# REASONS TO CHOOSE CITY COLLEGE

## WHAT WE CAN OFFER

You will be immersed into a British college, with excellent facilities, a variety of courses and support available to you. The college environment provides you with many opportunities to interact with our UK students and learn about British culture.

### QUALITY TEACHING AND LEARNING

- **Choice:** An incredible range of course options available - from one-day workshops to two-year university level Foundation Degrees.
- **Expertise:** A qualified and professional teaching team.
- **Learning Environment:** Modern classroom facilities and resources, including interactive whiteboards.
- **Facilities:** Subject specific facilities, including industry-standard recording studios, art workshops, photography studios, professional kitchens and science and computing laboratories.
- **Technology:** Online access to course documents and study support through our virtual learning environment.
- **Success:** A personal tutor and regular tutorials to help you achieve your goals.
- **Progression:** Advice and assistance with progression on to further study.
- **Career:** A dedicated careers team providing help with CVs and advice on future careers.

"The tutors were fantastic and the classes had a good atmosphere for studying. City College has got great facilities, especially the library and the support... it's just a great place to come to."

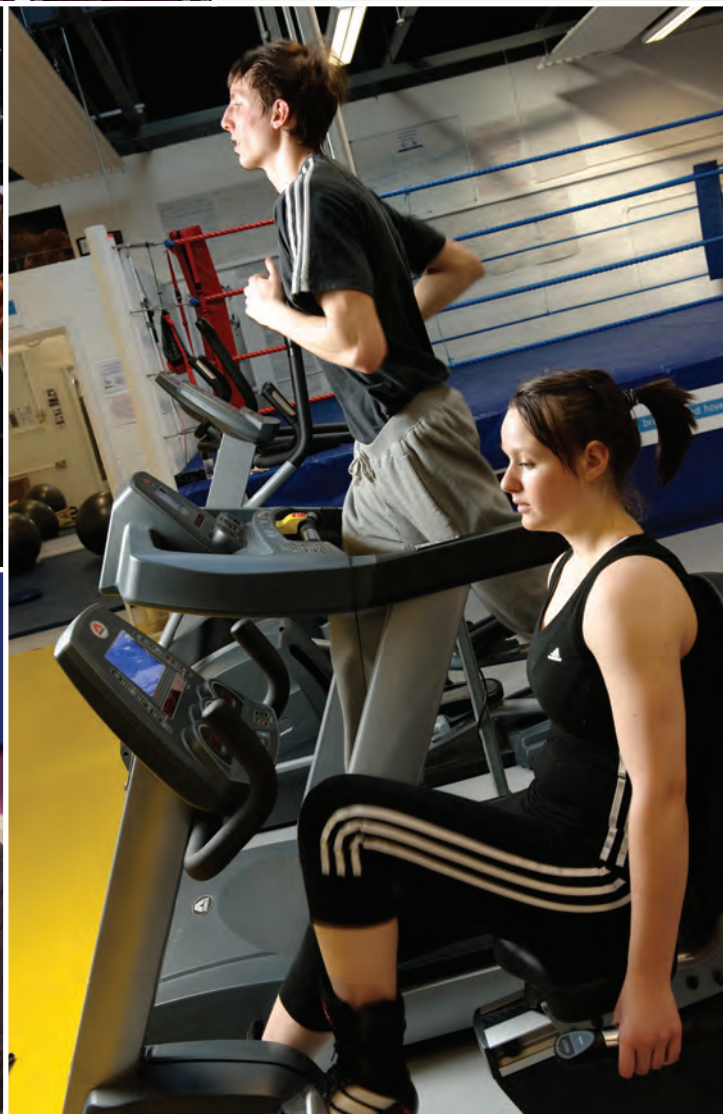

Ayako Shimbo, Japan  
General English

### EXCELLENT FACILITIES

- **Learn:** Our Learning Resource Centre gives you access to over 40000 books, 3000 ebooks, 300 current periodicals, 2000 DVDs and 50 computers which have internet access.
- **Connect:** WiFi available throughout the college.
- **Eat well:** A cafeteria and coffee bar offering a fantastic variety of international food and drink at excellent prices.
- **Stay fit:** Access to our fully-equipped gym – completely free of charge.\*
- **Well-being:** Discounted treatments at our Hair, Beauty and Holistic Therapy Salons, run by students, under the supervision of experienced staff.\*
- **Explore:** City Travel – our own travel agency, with great deals on visits, concerts, train, ferry, bus and air tickets.

\*term time only

# INTERNATIONAL STUDENT SERVICES & SUPPORT

Our professional supportive team of staff are here to make it as easy as possible for you to settle into your studies at City College Brighton and to enjoy your time in the UK. We provide a caring environment and a range of services to prepare you to come to the UK. These include pre-arrival guidance to help you find the right course, visa and immigration advice and an accommodation service.

The support we provide is on-going. Your academic success and personal wellbeing is at the heart of everything we do.

## PRE-ARRIVAL

- **Academic guidance:** To ensure that your course is best-suited to achieve your future study or career plans.
- **Info pack:** Sent to all students offering valuable information which will help you plan and prepare for student life in the UK.
- **Visa help:** Personalised advice with your visa application and travelling arrangements.

## ON ARRIVAL

- **Induction programme:** Designed to make you feel welcome and part of the college community. Meet other students and find your way around the college and local area.
- **Welcome pack:** Contains materials for your lessons and useful maps and information about Brighton.
- **Practical tips:** Settling in Brighton, banking and finance, doctors, wellbeing and working.

"I'm really grateful for all the help City College gave me, especially when I first came to Brighton, from getting a great host family to acquiring my visa."

Ogechukwu Amuta, Nigeria  
IFP Art Foundation Year

## DURING YOUR COURSE

- **Regular tutorials:** Your personal tutor will monitor your progress and will help to support your learning goals.
- **Personalised welfare support:** Available to help you deal with any problems you might encounter during your stay with us.
- **24-hour help:** Emergency phone number given to all students to access help outside of office hours.
- **Specialist advice for university applicants:** To help you understand Higher Education options and make decisions for your future.
- **Dedicated careers team:** Free advice and guidance on writing a CV, looking for work and interview techniques.
- **Weekly social and cultural activities:** To help you meet new people, experience Brighton and develop your language skills.

## INTERNATIONAL STUDENTS UNDER 18

Most of our courses are primarily designed for students aged 18 and older but we do offer a Junior Summer Programme specially designed for younger learners and our College Experience Programme is suitable for learners aged 16-18. Parents or guardians of students under 18 must contact us before booking to discuss the level of care provided.

# SOCIAL ACTIVITIES AND ENRICHMENT PROGRAMME

Participate in a wide variety of enrichment activities that will support your learning.

We offer a range of leisure and sports activities to encourage you to meet new people, make friends, get to know Brighton and settle into life in the UK. City College Brighton is so much more than a place for you to study.

## INTERNATIONAL SOCIAL ACTIVITIES

Weekly social activities for international students.

Activities include visits to local museums, bowling, film nights, pub and restaurant nights, ice-skating (winter only), beach barbeques (summer only), countryside walks and visits to nearby towns and villages. We do not charge for these activities but students have to pay their own costs, approximate costs are below:

ACTIVITY	APPROXIMATE COST
Museum	Free of charge
Bowling	£2 per game
Film night	£3 popcorn and drink
Pub night	£3 per drink
Restaurant night	£10 meal and drink
Visit to nearby town	£5 bus or train fare
Countryside hike	Free of charge
Barbeque	Students asked to bring their own food
Beach volleyball	£3 court fee
Laser Tag	£5 per game

We offer regular events and activities throughout the year, providing opportunities to help students while they are at City College Brighton, such as:

- **New Students' Day**
- **Higher Education Fairs**
- **Money and Enterprise Week**
- **Diversity Week**
- **Jobs and Careers Fairs**
- **Sport, Health and Well-being Event**

# SOCIAL ACTIVITIES AND ENRICHMENT PROGRAMME

City College's enrichment programme is available to both UK and international students and is free of charge. You will have access to our free sports facilities, to help keep you fit, meet new friends and have fun.

We have two full-size all-weather pitches, grass sports fields, an indoor sports hall and a fully-equipped gym with all the latest cardiovascular exercise and weights machines plus a boxing ring and training facilities\*. Access to these facilities is limited to term-time only.

# STUDENT ACCOMMODATION

We understand that your accommodation is an important part of your stay and that you should be happy and comfortable with whatever choice you make. All of our accommodation is thoroughly checked and monitored in accordance with the standards set out in the British Council's Accreditation UK Scheme.

We offer three accommodation options for students; half-board homestay accommodation, self-catering private home and self-catering student house.

## HALF-BOARD HOMESTAY

Homestay will give you the perfect introduction to life in the UK and will help you to improve your English much faster. You will immerse yourself in a local household and learn about British culture in a welcoming and comfortable environment.

- **Be part of the family:** The host will treat you like a full member of the household.
- **Spend time together:** Eat with your host and share common areas.
- **Improve your English:** Take every opportunity to practise your conversational English.
- **Meals provided:** Breakfast and dinner will be provided every day.

## SELF-CATERING PRIVATE HOME

Self-catering private home is a great option for students who wish to live in a British home but want more independence. You can enjoy the company of your host and other people in the house but will have the freedom to buy and cook your own meals.

- **Feel welcome:** The host will spend time with you to ensure you have everything you need to feel comfortable in their home.
- **Enjoy home comforts:** Stay in a homely environment and get to know British culture.
- **Manage your own meals:** Use the kitchen to cook and store your own food.
- **Be independent:** Plan your own routine.

## SELF CATERING STUDENT HOUSE

- All our student houses are conveniently located within either walking distance of the school or a short bus ride. There is a large supermarket and there are plenty of convenience stores, restaurants and cafeterias in the nearby area.
- **Make friends with other students:** You will share the house with other international students.
- **Own personal space:** Your single room is comfortably furnished with a single or double bed, a desk for study and plenty of storage space for clothes.
- **Communal living:** Self-catering accommodation with full use of kitchen facilities. Kitchens are modern and equipped with fridge, cookers, cutlery, crockery and cooking utensils. Shared use of bathroom facilities including a shower.
- **Well equipped:** All student houses have a washing machine, dryer and ironing board. WiFi included.

**All of our accommodation is thoroughly checked and monitored in accordance with the standards set out in the British Council's Accreditation UK Scheme.**

# ENGLISH LANGUAGE COURSES

**"It was a great experience to learn English in a UK College, to study alongside other International students but also surrounded by British people. It really is a remarkable advantage."**

Alvaro Cuesta, Colombia  
General English and  
Cambridge Exam Preparation

# ENGLISH LANGUAGE COURSES

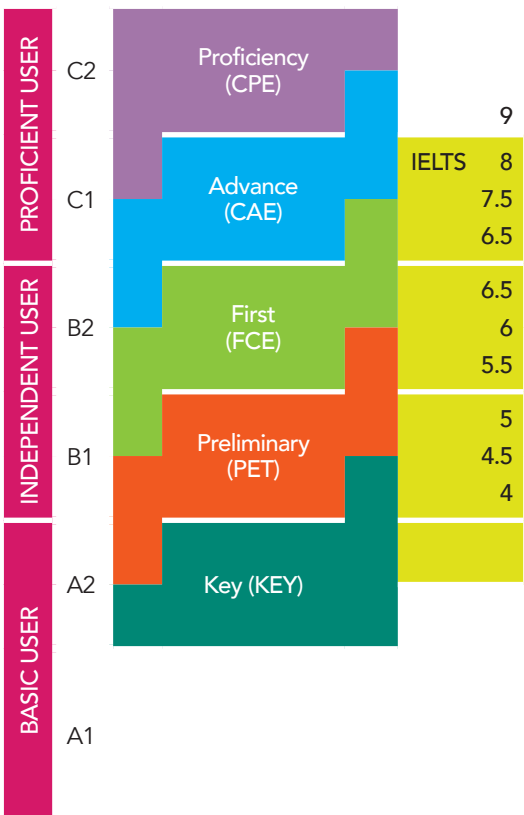

City College Brighton is an excellent choice for English Language Learning. Our year-round courses will help you to improve your English language skills specific to your particular level or need. Our classes are multinational and you will study alongside students who have a similar level of English to yourself.

We provide a range of English language courses:

- **General English:** Available at a range of levels, full and part-time options and flexible learning plans, option to focus on communication or grammar and writing.
- **IELTS Exam Preparation:** To prepare for academic study.
- **Cambridge Exam Preparation:** Designed for higher level students who want to gain an internationally recognised English qualification.
- **Junior Summer Programme:** Exciting study and activity programme for younger learners.

KEY FACTS	
MAXIMUM CLASS SIZE	14
AVERAGE CLASS SIZE	8

AVERAGE AGE	18-35
MATERIALS	Student pack, course book and materials are included for all courses

## ENGLISH LANGUAGE LEVELS

- **CEFR:** Common European Framework of Reference for Languages
- **IELTS:** International English Language Testing System
- **Source:** <http://www.cambridgeenglish.org/exams/cefr/cefr-exams/>

"Before starting my course I was nervous I would not be able to learn but the teaching methods are really good and there are so many materials available in the library. There was always something to do, the staff are very kind and always create opportunities to meet other students in the college."

Teresa Calzone,  
General English

# GENERAL ENGLISH

On all General English courses you will study in a communicative environment to improve your English language level.

- **Skills:** Focus on the four skills of speaking, listening, reading and writing.
- **Grammar:** Review and learn grammatical structures.
- **Vocabulary and pronunciation:** Widen your range of active vocabulary and improve your English pronunciation.

COURSE	DATES	DURATION	TIMES	HOURS PER WEEK	ENTRY REQUIREMENT

Our tutors' experience and techniques will support you to succeed.

- **Study options:** Choose from full or part-time options, mornings and/or afternoons, to maximise your study.
- **Placement test:** We will assess your English level to ensure you study in the appropriate class.
- **Quality study materials:** Your course book and materials are included in the price.
- **Progress:** We regularly check your progress with in-class tests and individual support during tutorials helping you to become a more confident user of English.

# GENERAL ENGLISH

## GENERAL ENGLISH PLUS: 20 HOURS PER WEEK

DAY	MORNING	BREAK	AFTERNOON
MONDAY	General English	Lunch	City Tour (optional)
TUESDAY			Communication
WEDNESDAY			Sports Enrichment (optional)
THURSDAY			Communication
FRIDAY			Social Activity (optional)

"My English has improved a lot because of the atmosphere in the classroom and the college. We learn about interesting topics and the teachers encourage us to share our ideas and opinions which opened up my world to different cultures and people."

Areerat Daengbunma, Thailand  
General English

# IELTS EXAM PREPARATION

IELTS is the International English Language Testing System and is accepted by thousands of institutions worldwide. It is recognised internationally by universities, workplaces and governments as an assessment of your English language proficiency.

It is suitable if you are planning to attend an academic or vocational course at any UK institution, or if you plan to apply to an English-speaking university for an undergraduate or postgraduate course.

On our IELTS Exam Preparation courses you will:

- **Focus** on exam techniques and strategies, with regular mock exams and tutorials.
- **Study** the test format to make sure that you know what to expect.
- **Understand** the content of each part of the IELTS test: listening, reading, writing and speaking.
- **Practise** the different types of questions that you may be asked in each part.

We offer various full and part time course options.

COURSE	DATES	DURATION	TIMES	HOURS PER WEEK	ENTRY REQUIREMENT
IELTS EXAM PREPARATION	Various start dates throughout the year**	8 weeks	Monday – Friday (9 - 12.30)	15	B1

IELTS INTRO PART TIME		6 weeks			

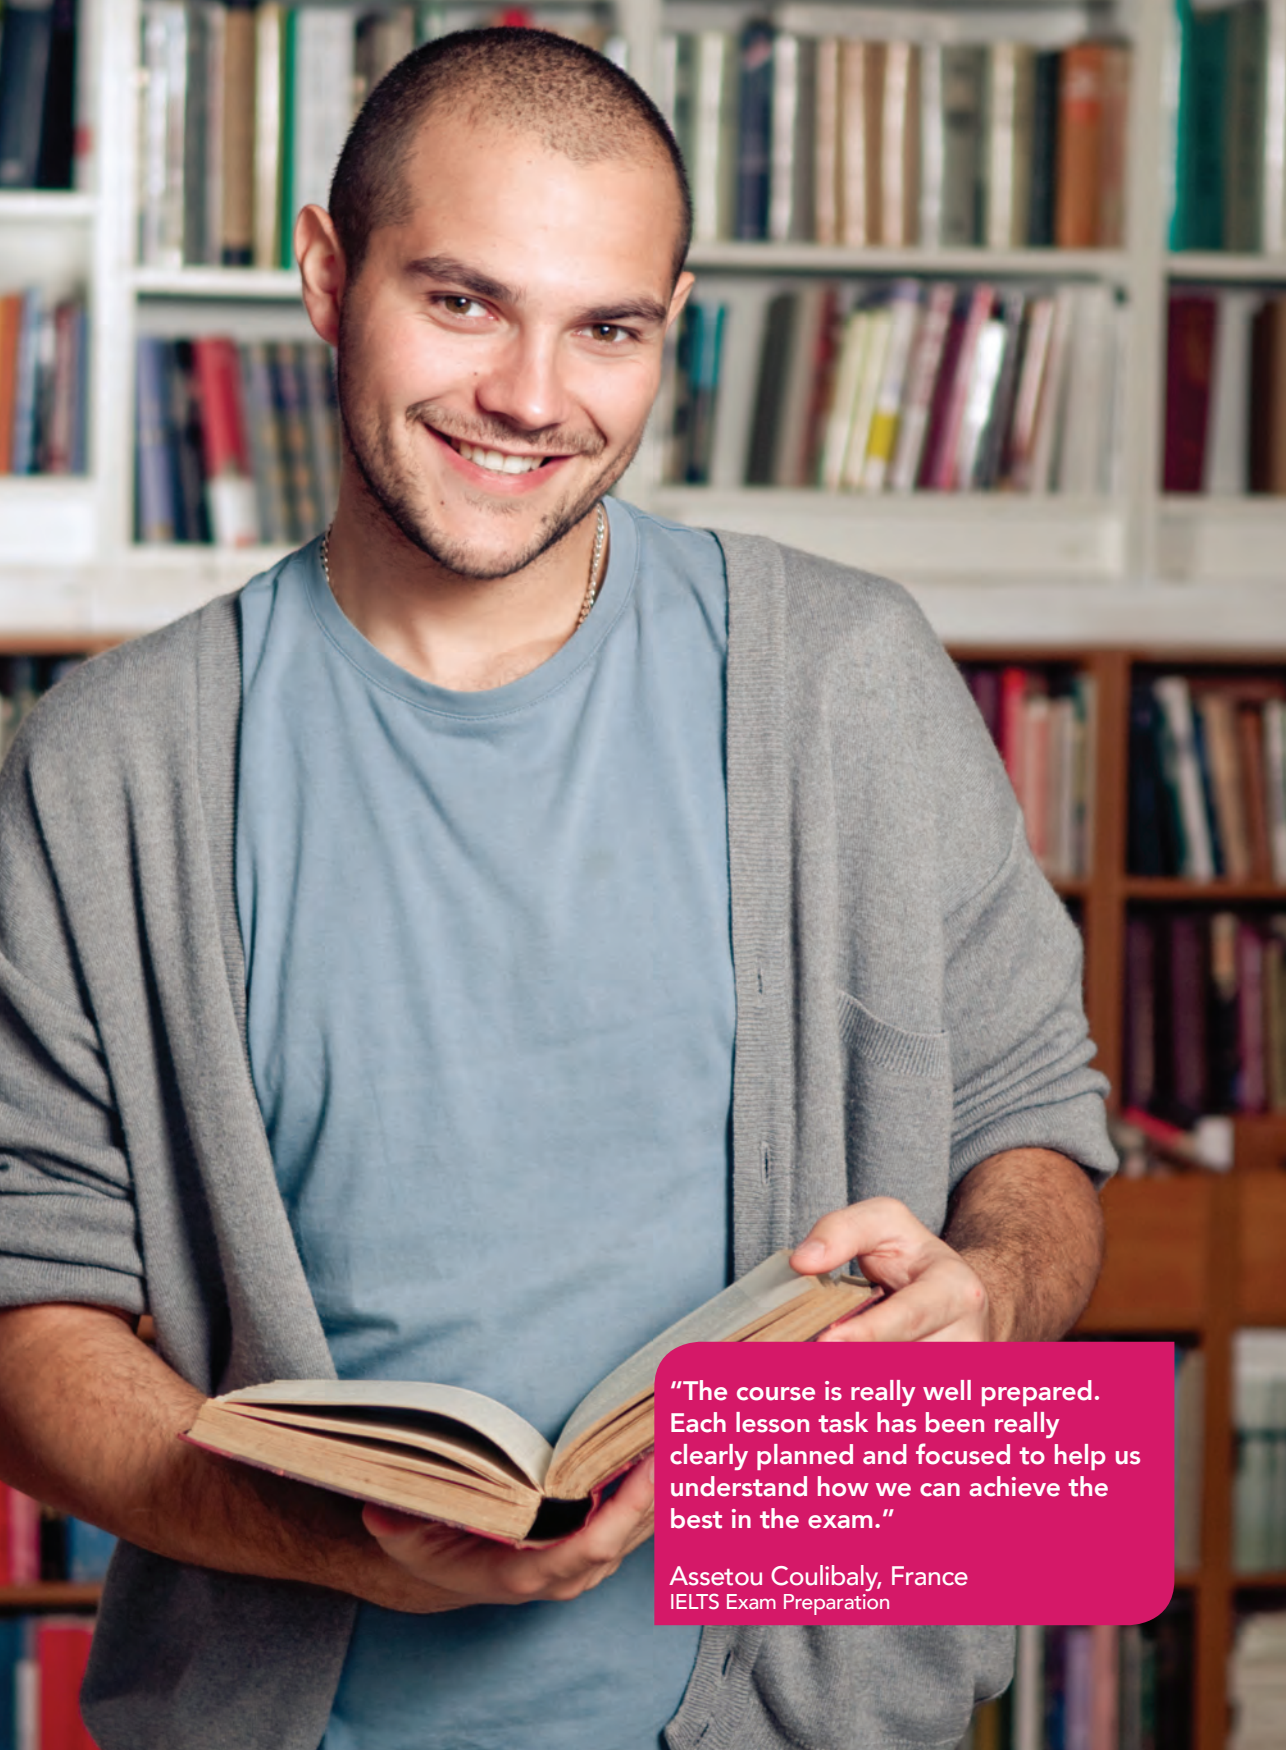

\*The plus afternoon lessons focus on general English skills

\*\*Please refer to website or fee sheet for dates

Your course book and materials are included in the price. Exam fee is not included in the price (approximately £150).

"The course is really well prepared. Each lesson task has been really clearly planned and focused to help us understand how we can achieve the best in the exam."

Assetou Coulibaly, France  
IELTS Exam Preparation

# CAMBRIDGE EXAM PREPARATION

Cambridge Exam Courses are designed for higher-level students who want to improve their English. Cambridge exams are recognised around the world by universities, employers and national education authorities. Every year over 5 million people take a Cambridge exam to improve their employment prospects, seek further education and prepare for international travel or living abroad.

On our Cambridge Exam Preparation Courses you will:

- **Focus** on exam techniques and strategies.
- **Practise** with regular mock exams and tutorials.
- **Develop** your general language skills.
- **Prepare** with experienced tutors who will advise you when you are ready to take the exam.

We offer both full and part time course options, to prepare you for your Cambridge First (FCE) or Certificate (CAE) Exam.

COURSE	DATES	DURATION	TIMES	HOURS PER WEEK	ENTRY REQUIREMENT
CAMBRIDGE EXAM PREPARATION FCE/ CAE	Various start dates throughout the year**	10 weeks	Monday – Friday (9-12.30)	15	FCE - B2 CAE - C1

CAMBRIDGE INTRO EXAM PREPARATION PART-TIME FCE/ CAE		6 weeks	2 evenings per week	5	FCE - B2 CAE - C1

\*The plus afternoon lessons focus on general English skills

\*\*Please refer to website or fee sheet for dates

Your course book and materials are included in the price. Exam fee is not included in the price (approximately £140).

"Every day I went to class feeling motivated and found every lesson interesting. Our teacher was really experienced and knew every detail about the exam but he also showed us real examples from everyday situations. I really like this kind of teaching."

Ivan Garcia Peris, Spain  
Cambridge Exam Preparation (FCE)

# STUDY PROGRAMMES

**"My tutors here have all  
been really supportive and  
I hope to come back to  
complete a higher course  
next year."**

Undeok Lee, Korea

# STUDY PROGRAMMES

## GENERAL OVERVIEW

A UK college is an excellent choice for International students wanting to learn a new skill or follow a specific career path, as well as for those who want to progress onto university or study at university level.

Our UK College Experience Programme is ideal for students who want a shorter period of overseas study, immersed in a UK college environment. City College Brighton offers:

**A wide selection of academic and vocational programmes:** to help you gain a university place or for your future career.

**A range of levels:** depending on your academic ability and level of English.

**Advice and guidance:** to help you find the right course.

**Study alongside UK students:** to help you develop your English language and experience British culture.

**English language support:** to help you develop your academic English.

UAL Art Foundation

# VOCATIONAL PROGRAMMES

# COLLEGE EXPERIENCE PROGRAMME

The College Experience Programme is a unique way for students to study in a UK College with British students to develop their English and experience British culture. It offers immersion in a UK College within the British education system for students age 16-20.

The programme is designed to provide development in English and academic and vocational subjects. Students can choose from a variety of course options and will be taught alongside British students:

- **Business**
- **Science**
- **Travel & Tourism**
- **Complementary & Beauty Therapy**
- **Hairdressing & Barbering**

## ENGLISH SUPPORT

Students will also receive English language support appropriate to their level, in multinational classes alongside other international students.

The College Experience Programme is a total immersion in a UK College, taught in English and delivered by subject specialists.

## KEY FACTS

<b>COURSE DATES:</b>	Start dates from September – May. Some options available September – December only.
<b>COURSE DURATION:</b>	Minimum 2 weeks – 24 weeks
<b>COURSE TIMES:</b>	Study takes place 4-5 days each week
<b>HOURS PER WEEK:</b>	15 +
<b>ENTRY REQUIREMENT:</b>	All courses require a minimum English level of B2 IELTS 5.0 (5.0 in writing) or the equivalent. As well as this each course has individual requirements; please contact us for more detailed information.

"The course was great! Every day at the college was useful, interesting and helped me to improve my cultural knowledge and English skills."

Elena Saccon, Italy  
College Experience Programme

# VOCATIONAL PROGRAMMES

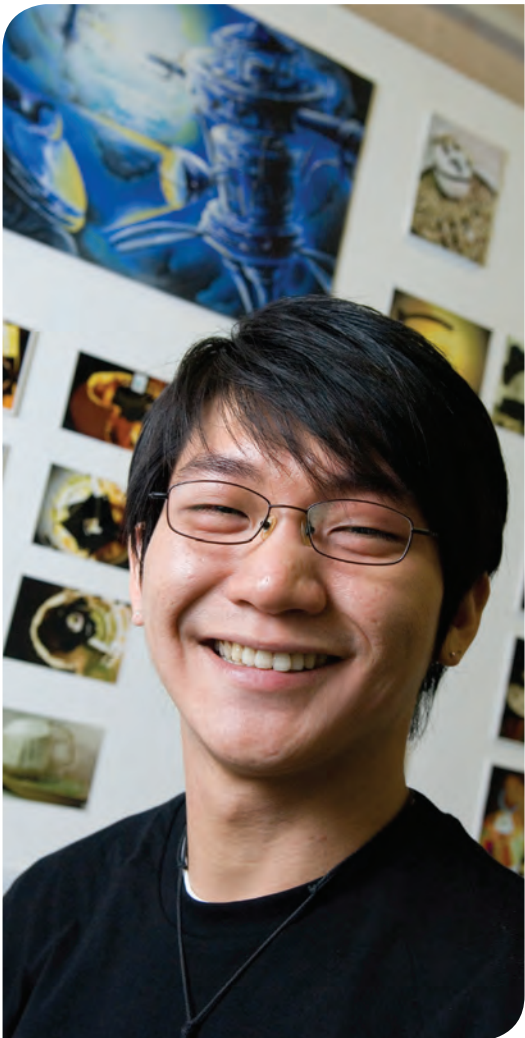

Vocational courses are industry recognised qualifications which will equip you with the skills and knowledge you need to succeed in your chosen field of work or progress onto university level study.

You will benefit from highly qualified teachers who have considerable industry experience. You will develop your skills in realistic working environments relevant to your course.

## KEY FACTS

<b>COURSE DATES:</b>	September – June (36 weeks)
<b>COURSE DURATION:</b>	1 or 2 years
<b>COURSE TIMES:</b>	Study takes place 4-5 days each week
<b>HOURS PER WEEK:</b>	15 +
<b>ENTRY REQUIREMENT:</b>	All courses require a minimum English level of B2 IELTS 5.5 (5.0 in writing) or the equivalent. As well as this each course has individual requirements, contact us for more information.

An NVQ level 3 qualification can be equivalent to up to 3 A-levels and can help you gain entrance to a UK university. Please contact us to find out which course is right for you.

# VOCATIONAL PROGRAMMES

Painting & Decorating
Photography
Plumbing
Public Services
Science
Sport
Travel & Tourism

Please contact us for detailed course information and advice about which course is right for you.

# FOUNDATION DIPLOMA IN ART & DESIGN (UAL)

City College's Foundation Art & Design course is considered to be one of the best in the country. This course is the preferred progression route to higher education art and design specialised study. We have an excellent track record of placing students at the most prestigious universities and art colleges throughout the UK. You will be taught by specialist teachers, practising artists and designers who are involved in Brighton's vibrant art and design scene. You will also benefit from talks and workshops from visiting artists and industry specialists, including an artists' residency programme in which you'll benefit from the expertise and guidance of nationally acclaimed professional artists.

## STUDY

**Stage 1:** Exploratory assignments and workshops to help you to develop a wide range of transferable art and design skills, techniques and processes. At the end of this stage your work will be assessed to decide which specialist pathway you should follow. The four pathways of study are:

Fine Art

Graphics & Illustration

Fashion & Textiles

3D Design

**Stage 2:** Develop skills and understanding of the specialist pathway in greater depth. Build a portfolio in preparation for university.

**Stage 3:** You will undertake a self-initiated final major project which culminates in an exhibition at the end of the course. At this stage the work is externally assessed.

Historical and Contextual studies run alongside studio practice during the exploratory stage and an educational visit to Europe is organised to support both the contextual studies programme and the drawing programme.

## PROGRESSION

The Art and Design Foundation Programme is the preferred progression route to Higher Education Art & Design specialised study.

This course has an excellent track record of placing students at prestigious universities and art colleges throughout the UK, such as University of the Arts (Central St Martins); University of Creative Arts; University of Nottingham; University of Brighton; University of Bournemouth.

"Next year I will be going on to study architecture at Central Saint Martins."

Ogechuckwu Amuta, Nigeria  
Foundation Diploma Art & Design

# INTERNATIONAL FOUNDATION PROGRAMMES

The International Foundation Programme is a one-year academic programme designed to prepare you for undergraduate study in the UK.

This programme provides academic preparation for first year entry into university. It will enable you to meet the English language requirement to get accepted on to your chosen undergraduate degree.

## KEY FACTS:

COURSE DATES:	September – June (36 weeks)
COURSE DURATION:	1 year
COURSE TIMES:	Study takes place 4-5 days each week
HOURS PER WEEK:	15 +
ENTRY REQUIREMENT:	All courses require a minimum English level of B2 IELTS 5.5 (5.5 in writing) or the equivalent. As well as this each course has individual requirements, please see our website for more information.
QUALIFICATION:	Awarded by Laser, QAA approved, recognised by universities across the UK for entrance onto undergraduate programmes.

International Foundation Programmes are specifically designed to help you progress onto a degree. You will be supported to make your application to university as part of your course. We have an excellent progression record including locally at the University of Brighton and University of Sussex but also at universities across the country, including Cambridge.

## HIGHER EDUCATION PROGRAMMES

**"I've learnt a broad range of skills from how to use my creative side to management skills. I plan to do a top-up at university in International Hospitality Management."**

Freda Klisir,  
Turkey

# HIGHER EDUCATION PROGRAMMES

Our high quality, professionally-focused higher education courses will equip you to succeed in a variety of industries. Our Foundation Degrees are two-year qualifications that combine academic and professional learning. They will prepare you for employment via a variety of methods, including work placements, industry-related teaching and assessment and personal and career planning. At the end of a Foundation Degree, you can progress to a one-year top-up course leading to a full Bachelor's degree with honours.

All our Higher Education courses are validated by the University of Brighton and our students become members of the university students' union.

City College Brighton currently offer two top-up options, alternatively you may progress on to your chosen university. Contact us for further information.

## KEY FACTS:

COURSE DATES:	September – June (36 weeks)
COURSE DURATION:	2 years Foundation Degree / 1 year top-up
COURSE TIMES:	Study takes place 3-5 days each week
HOURS PER WEEK:	15 +
ENTRY REQUIREMENT:	All courses require a minimum English level IELTS 6.0 (6.0 in writing) or the equivalent. Successful completion of Senior Secondary School, A-levels or Foundation Programme or equivalent.

**"My tutor made the subject really come alive."**

Juliana Salvatti, Brazil  
Tourism

# HIGHER EDUCATION PROGRAMMES

## TEACHING AND LEARNING

Teaching and learning are at the heart of everything we do. Our foundation degrees are taught through a mix of lectures, practical sessions and tutorials, by our highly-qualified higher education staff team. Many of our tutors combine teaching with their own freelance careers and professional practice, so they can help students make the link between the classroom and the workplace. We also have an annual programme of guest speakers from industry.

## EMPLOYABILITY

All of our courses will prepare students for careers or further study in their chosen fields. Teaching and learning is professionally focused through work-placements, access to real employers, entry into national competitions and student-led events and projects.

## FACILITIES

City College Brighton offers industry-standard recording studios, photography studios, art workshops, professional kitchens and science and computing laboratories.

## QUALITY ASSURED

All of our courses are validated by the University of Brighton. Our Higher Education courses have consistently attracted positive feedback from external examiners, Quality Assurance Agency and the National Student Survey.

## ENGLISH SUPPORT

International students studying on Foundation Degree Courses are entitled to English Language support as part of their course. Students can choose from Academic Writing, Communication classes or IELTS preparation, subject to availability.

# FOUNDATION DEGREE

## CREATIVE MUSIC PRODUCTION

Whether you are an aspiring musician or recording artist, Brighton has a thriving music scene to inspire your creativity.

Music Production at City College Brighton will start your career path as a creative recording producer. You will be introduced to the technologies and processes used to compose, produce and perform music. You will learn to manage the whole process of developing musical ideas in the studio with musicians, to create and producing recordings. You will gain practical experience of music production and work with professionals from the music industry.

The city boasts a variety of excellent live music venues and some of the most popular music festivals and club nights in the UK.

### STUDY

Computer Music Production, Context & Methodology, Experimental Sound, Sound Studio Techniques, Work-related creative practice, Music & Sound for Moving Image, Contextual Studies: Music Production, Arts - optional modules, Professional Practice.

### PROGRESSION

Direct entry on to Creative Music Production BA (Hons) top-up at City College Brighton. Other university options available.

## CREATIVE MUSIC PRODUCTION BA (HONS) TOP-UP

This exciting course enables students who have a Foundation Degree or Higher National Diploma in music to top-up their qualification to an honours degree.

Split over four modules, you will refine existing academic and intellectual skills and develop innovative approaches to music production. You will create a substantial audio portfolio in line with your own personal creative practice. This course is ideal for students who want to be a Creative Professional with a career as a creative music producer, composer, sound-designer, freelance artist, songwriter, teacher, lecturer or curator.

### STUDY

Philosophies and Theories of Music. Integrated Practice which explores extra-musical stimuli to create an integrated creative musical production piece. Sound Studio techniques, New Media technologies in practice, providing opportunities to fuse music and media together in creative and innovative ways. Lectures aimed at exploring the links between music and extra musical stimuli. You will complete a dissertation and individual project.

### PROGRESSION

A career in the music industry in areas such as production, sound designer, sound multi-media design, working for or running a record label, sound consultant. Further post graduate studies in music production.

### FACILITIES

Mac suite – Logic Pro, Pro Tools and other software. Synthesis lab incorporating modular synthesiser and isolation booths including equipment by Doepfer, Moog, Korg etc. Three well-equipped, professional, in-house recording studios at our East Campus including equipment by Neumann, Teletronix, Universal Audio, Neve, SPL, Audient etc. You will have tutorial support from creative and committed music industry professionals.

# FOUNDATION DEGREE

## PHOTOGRAPHY

This practical course will give you the skills you need for a successful career in professional photography. The programme is tailored to commercial advertising and editorial work, but also covers many essential photographic and transferable skills. You'll be prepared for a career as a freelance photographer, with sound business and marketing awareness, or as a photographic assistant, web designer or digital re-toucher.

### STUDY

Digital Imaging, Studio Practice, Contextual & Critical Studies. Traditional film methods & darkroom practices, creating an exhibition, historical aspects of photography and philosophical & social perspectives in photography.

### PROGRESSION

Direct entry to BA (Hons) Visual Arts practice one year top-up at City College. Other university and top-up options available.

## VISUAL ARTS PRACTICE BA HONS (TOP-UP)

This innovative honours degree top-up is aimed at graduates from foundation degrees in visual arts and photography. The course provides a dynamic, challenging, interdisciplinary environment, where your creative practice is at the heart of the experience.

### STUDY

Practice-based Project, Dissertation, Cultural & Critical Studies, Technical Development, Creative Enterprise. The central theme of the course is to develop a personal art practice.

### PROGRESSION

A career or further post graduate studies in the arts and cultural activities.

## FACILITIES

Designated studio spaces, Project space, 3D and ceramics workshops, Print facilities, Photographic studios, darkrooms, MAC suites with latest software.

Brighton is home to England's biggest curated mixed arts festival, attracting some of the most innovative artists and companies from the UK and around the world. Our tutors will support you to get involved with this world class arts festival.

# FOUNDATION DEGREE

## SERVICE SECTOR MANAGEMENT

The service sector is huge and growing. Globally as economies grow, the sector plays an increasingly important role in development and dominates the UK economy. Brighton is testimony to that with over 8 million visitors each year who generate £900 million per year for the local economy. Outside of London, Brighton is the most popular destination for tourists in the UK. The city provides a vibrant and inspiring setting in which to study Service Sector Management. We offer four course options:

Hospitality & Event

Event & Tourism

Hospitality & Tourism

Travel & Tourism

Each of our Service Sector Management courses includes a 20 hour work placement within a UK business or organisation during year 1. The placement will provide you with invaluable practical work skills to prepare for a successful career in your chosen industry.

### STUDY

Core modules within all course options include People & Organisations, Managing a Service Business, Relationship Management, Preparation for Placement, Principles & Practice of Research Methods, Work Placement and Creative Business Planning. Optional modules include Cost Accounting, Digital & Social Media Marketing and Managing People.

**"I particularly enjoyed studying tourism destinations and it got me thinking about the marketing side of tourism because the tutor made the subject really come alive. I've now become interested in pursuing tourism marketing in my future career"**

Julliana Salvatti, Brazil  
Travel and Tourism

"My work placement has been an amazing part of the course, my colleagues are fantastic and I've learnt so much about Brighton and the UK and the different needs of domestic and international customers. I also gained skills in administration and customer service that have blended perfectly with what I've been learning at City College."

Julliana Salvatti, Brazil  
Travel and Tourism

# FOUNDATION DEGREES

# HOW TO APPLY

## HOW TO APPLY

You can apply using a paper application or online <http://www.ccb.ac.uk/international/how-to-apply>.

You must include the following documentation with your application:

- A copy of your passport;
- Your academic transcripts and certificates (if you are applying for an academic, vocational or Higher Education course);
- Proof of your English language level (if applicable);
- A copy of all your previous UK visas (if applicable);

Email or post these documents to us:

International City College Brighton & Hove  
Pelham Street, Brighton, East Sussex BN1 4FA  
United Kingdom

Tel: +44 (0) 1273 667752

Fax: +44 (0) 1273 667715

Email: [intapps@ccb.ac.uk](mailto:intapps@ccb.ac.uk)

## OFFER AND DEPOSIT

If you have met all the entry requirements of your chosen course then we will send you a conditional offer letter with an acceptance form. Please sign and return your acceptance form with one of the following payment options to secure your place on the course:

- A minimum deposit of £1000 (if you do not require a Tier 4 visa).
- Full fees if you are applying for a Tier 4 visa.
- Full fees if your course is less than £1000.
- Name of student;
- Course applied for;
- Person code (on offer letter).

You must do this to secure a place on the course. We will only issue your visa support letter or CAS when you have paid your fees. If you would like us to arrange accommodation and airport pick up, you should also pay these arrangement fees now.

## APPLYING FOR A VISA

When we have received your documentation and fees we will send you your visa support document. This is the document you will need when applying for your visa.

- If you are applying for a Tier 4 visa you will receive a CAS statement.
- If you are applying for a Short Term Study Visa (STSV) we will send you an offer letter.

Applying for a visa can take time, so please make sure that you apply as early as possible. More information on visa processing times can be found here:

[www.gov.uk/visa-processing-times](http://www.gov.uk/visa-processing-times).

To apply online please visit our website:

[www.ccb.ac.uk/international/how-to-apply](http://www.ccb.ac.uk/international/how-to-apply)

## PRE-ARRIVAL

Please inform us as soon as you have received your visa to confirm your arrival date. If you have requested airport pick-up please send us your full flight details. As soon as we have had confirmation of your arrival we will send you:

- Details about your first days in Brighton and at City College Brighton.
- If you have booked accommodation with us, we will also send you the details of the arrangements we have made for your stay.

We recommend that you pay the remainder of your tuition fees before travelling to the UK. If your tuition fees are not paid in full when you arrive at the college we will require the balance to be paid on the first day of your course. You will not be able to join your class until you have paid your fees in full.

## FEES

Please see our fee sheet for details of our prices for tuition, accommodation and airport transfer. All courses are offered subject to sufficient student numbers on enrolment. Where the college decides to close, cancel or significantly change the course, the student will be offered an alternative course or a full refund will be given.

## CANCELLATIONS AND REFUNDS

The deposit and tuition fees will only be refunded under exceptional circumstances as defined by the college. Please note that the accommodation arrangement fee is non-refundable. If you are declined a student visa before the start of your course, you will be required to send us a copy of your visa refusal letter. You will then receive a refund of your deposit minus a £250 admin fee. Please note that refunds will not be granted if there is any evidence that the refusal was due to failure to have adequate funds in place, failure to supply all documents required for a successful application or if fraudulent documents were used. For full terms and conditions, please refer to our website:

[www.ccb.ac.uk/public/international/terms-and-conditions](http://www.ccb.ac.uk/public/international/terms-and-conditions)

## INTERNATIONAL STUDENTS UNDER 18

Most of our courses are primarily designed for students aged 18 and older but we do offer a Junior Summer Programme specially designed for younger learners. Parents or guardians of students under 18 must contact us before booking to discuss the level of care provided.
