Lessons with my teacher
Steve were always fun.
My English "went through
the roof".

Kings Brighton really is an amazing
school. There are some really cool
features like the mural behind me.

There is loads of great street
art all around Brighton.

The Courtyard Café at
Kings is great for hanging
out with friends. And the
food is amazing!

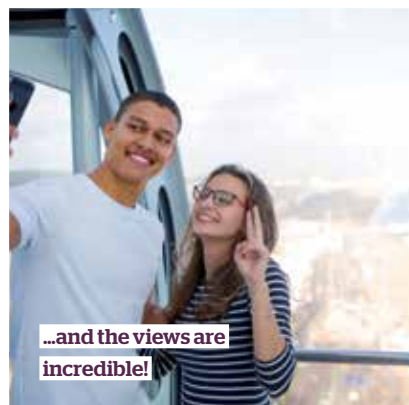

The i360 is an amazing viewing
platform right on the seafront...

At the weekend I did
a day's sightseeing in
London. It's less than
1-hour away!

There's always a busy,
friendly vibe at the school.
I feel right at home here.

...and the views are
incredible!

There's a common room on
each floor of the residence.
Me and my friends chilled
there in the evenings.

check out
my film!
